

Hi there!

As an Affiliate member who joined or reinstated your HAAR membership this year, we'd love to offer your company a new opportunity to connect with REALTORS® who are just beginning their HAAR membership journey.

You're invited to contribute an item to our New Member Orientation welcome bags at no additional cost!

Eligible Affiliates may provide a useful promotional item, resource, or special offer that introduces your business while adding value to the new-member experience. We've attached a graphic showing what is currently included to help you choose something that complements the bag.

Need an idea? Consider branded pens or tech accessories, home or office items, individually wrapped snacks, service checklists, exclusive new-member offers, or small branded gifts.

Please **do not submit** standalone business cards, rack cards, brochures, or flyers. We want every contribution to provide something useful or memorable.

Participation Guidelines

- Available to active HAAR Affiliate members within two years of their original join or most recent reinstatement date.
- A minimum of **200 items** is required, allowing inclusion in at least three New Member Orientation classes.
- Each company may submit one item or bundled piece at a time.
- Items must be reviewed and approved by HAAR **before purchasing in large quantities or delivery.**
- Materials must be current, professional, and appropriate for REALTORS®. Food must be commercially packaged and labeled; offers must include restrictions and expiration dates.
- Political or recruiting materials and items promoting nonmember companies will not be accepted.
- HAAR may decline or limit materials based on space, suitability, or duplication. Inclusion does not constitute endorsement by HAAR or ValleyMLS.

Want to participate?

Email kris@valleymls.com with a brief description or photo of your proposed item. Once approved, we'll coordinate delivery.

We're excited to give our newest Affiliates another way to support, and be introduced to, our growing REALTOR® membership.

Thank you for being part of the HAAR Affiliate Network!
